Executive Council of IAMM

President :

Dr. Tapan N Dhole, (SGPGI, Lucknow)

Secretary :

Dr. B. L. Sherwal, (RGSSH, Delhi)

Treasurer :

Dr. Bharati Malhotra, (SMS MC, Jaipur)

Chief Editor :

Dr. V. Balaji, (CMC, Vellore)

Joint Secretary :

Dr. Satish Patil, (KIMS Karad)

Executive members :

Dr. Chand Wattal, (GRIPMER, New Delhi)
 Dr. P.A. Joshi, (GMC, MIRAJ, Maharashtra)
 Dr. N.P. Singh, (UCMS>B, New Delhi)
 Dr. Pallab Ray, (PGIMER, Chandigarh)
 Dr. R.B. Surpam, (GMC&H, Nagpur)
 Dr. Rahul Narang, (MGIMS, Nagpur)
 Dr. Sonal Saxena, (LHMC, New Delhi)

Ex-Officio Member :

Dr. Shobha Broor, (SGT University, Gurugram)

Office of IAMM EQAS (Delhi)

President's Message

Dear Members,

Microbiology has undergone revolutionary changes in terms of newer investigations, automation molecular methods and aiding clinicians in antimicrobial and diagnostic choices. It is no longer limited by culture plates and bench methods. With the increasing infections and the scope to diagnose them, there has come the inevitable need to practice Clinical Microbiology in the patient centered setting. However, Microbiology continues to be under recognized and underappreciated and needs a major paradigm shift. It is the need of the day to come forward, learn and assert the importance the branch commands.

We need to train our students to learn to progress from lab rats to clinical, infection control and disease investigators to ensure complete and holistic learning. If we don't learn and create opportunities, then in future no MBBS will take Microbiology as PG course as Microbiologists will be on way to job insecurity and poor professional scope.

The curriculum development for MD student's theory and practical examination also needs revision. The bright students of MD should be encouraged to go for applied research, overseas exams and fellowships. Post graduate MD students should be promoted to achieve expertise in various sub sections of Microbiology and the faculty in their capacity should ensure paper authorship, research grants, funding and conducive academic environment during the training. They should get enough exposure to become part of Infectious diseases team, which would also help them to cross prestigious exams like FRCPATH/ABMM. Periodic training and orientation classes can be arranged for their teaching for above. In addition, it's important to emphasize that Infectious disease is core to Microbiology and eligibility of MD Medical Microbiologist for DM Infectious diseases as a super specialty needs to be reconsidered.

The ultimate goal of all the members of IAMM should not only be to organize meetings but to uphold the rights and authority in best interest of the Microbiology fraternity as a whole. The idea is to have an engaged membership that recognizes how IAMM really helps them to shape their future and career development.

Best wishes,

Prof. (Dr.) T.N. Dhole, M.D.
President- IAMM
Professor & Head
Deptt. of Microbiology
SGPGIMS, Lucknow

OFFICE OF THE SECRETARY

Prof. (Dr.) B.L. Sherwal,

Secretary, IAMM & Director, Rajiv Gandhi Super Speciality Hospital (RGSSH),
 Tahirpur, Delhi- 110093
 Mob. : 9868168400. Off.: 011-65252480, Email: secretary.iamm@gmail.com

From the desk of Secretary.....

Dear Members,

Welcome to the summer edition of IAMM Newsletter.

Our Executive Council is complete with three new members been elected unopposed. The details of the Members are enclosed with this newsletter. My heartiest congratulations to them.

The preparations for the Bengaluru Conference MICROCON 2018 are in full swing and NIMHANS promises to offer a rewarding congress with the colleagues and faculty from different regions for creative and intellectual exchange of ideas. All members are requested to participate actively and not miss the opportunity to be a part of this wonderful conference in the Garden City of India. I convey my best wishes to the organizers.

My gentle reminder to all our members to put in nominations for this years' awards and also to the younger members to contest for the paper and poster prizes under various categories.

May you have a happy and healthy summertime!

Dr. B.L. Sherwal
Secretary, IAMM

REQUEST

Dear Members, please update your Address and Email ID in case of a change and circulate the Newsletter among members and friends!

Kindly share your achievements or other relevant information with us to update in the Newsletter.

STATE CHAPTER INFORMATION

All the office bearers of the State Chapters are requested to send information about their activities and events. Kindly send the names of the Secretaries of the respective State Chapters.

MICROCON 2018: Conference Programme

Sl. No.	Date	Program
1.	28.11.2018	Pre conference Workshop
2.	29.11.2018	Pre conference CME Inaugural address 5.30 pm
3.	30.11.2018	Day I (Main conference)
4.	01.12.2018	Day II “
5.	02.12.2018	Day III “ Valedictory function 1.30 pm

42nd Annual Conference of Indian Association of Medical Microbiologists

Dear IAMM Members,

It is a matter of great privilege & a lot of jubilation for us to host the 42nd MICROCON in Bangalore, after 16 long years. With great pleasure we invite you to the **42nd Annual Conference for Indian Association of Medical Microbiologists, scheduled from 28th November – 2nd December, 2018 at NIMHANS Convention Centre, Bengaluru (Bangalore).**

The primary focus of MICROCON 2018 will be the theme finalised, “**BREAKING BARRIERS...BUILDING BRIDGES**”. Clinical Microbiology is at a very exciting period; not only are we seeing changes in the way we practice, but we also have a very sophisticated array of tools at our disposal. These tools have enabled improvement in delivery of services provided to our patients. Yet, in our daily role as clinical microbiologists, there are significant barriers which currently limit our ability to function at the highest level possible. Identifying and breaking these barriers is essential to enhance quality of care to our patients. Such an approach is neither easy nor comfortable. However, it will keep us professionally viable and relevant. The only way forward is building new bridges through networks such as bridges between local, state, and central public health systems, between academia, business and government, also across different scientific disciplines, between research communities in different nations, and even between multilateral institutions.

You can register online through the conference website – www.microcon2018.com. Please register early to avail the discounted 'Early Bird Offer.'

Aimed at microbiologists from the Indian Subcontinent, we are committed to bring together the very best of the Faculty ever assembled in this part of the country. Interaction with your colleagues from different regions will stimulate a creative exchange of ideas and will be personally rewarding.

Bengaluru is the most sought out cosmopolitan city in India and is best known for making people from all over the world at home. Blessed with a salubrious climate, gardens & parks, natural lakes, architectural landmarks, shopping malls, the best restaurants and pubs in this part of the globe, business opportunities, Bangalore is the ideal gateway to India and beyond. Bengaluru offers something for everyone, music and dance concerts (Western and Indian), dramas, exhibitions, carnivals, conferences and more. Capital of the Southern state of Karnataka, Bengaluru today is Asia's fastest growing cosmopolitan city. It is home to some of the most high tech industries in India. The IT industry views Bengaluru as the 'bytebasket' of India. Bengaluru is also home to some of India's premier scientific establishments.

We look forward to your active participation and welcome you to the Garden City of India, Bengaluru.

See you all at MICROCON 2018!!

Dr V Ravi
Chairman
MICROCON 2018

Dr R Ravikumar
Organizing Secretary
MICROCON 2018

NEWS FROM IAMM STATE CHAPTERS

IAMM TAPC Chapter

The IAMM TAPC Chapter 21st Annual State Conference 2018 with the theme “Invisible Invaders to Amazing Alleles” was organized by the Department of Microbiology, Narayana Medical College, Nellore from 19th to 21st January 2018 headed by Dr. P. Sreenivasulu Reddy, Prof & HOD, Department of Microbiology, Narayana Medical College as the Organizing Secretary.

On 19th January 2018, Pre-Conference CME cum workshop was conducted on “*Antibiotic Susceptibility Testing Methods*” which was attended by faculty and post Graduates of various colleges and hospitals of Telangana, Andhra Pradesh and Tamilnadu. Dr. V. Lakshmi, Director, Credence Diagnostic Centre; Professor, Department of Microbiology, Kamineni Academy of Medical Sciences and Research Centre, Hyderabad, enlightened the delegates with the topic on “An Update on CLSI Guidelines for AST” which was followed by the Inaugural function of the CME. Demonstration on “Antibiotic Resistance Detection Methods” was conducted by the faculty of Department of Microbiology, Narayana Medical College.

In the post lunch session, Dr. K. Sridharan Satyamurthy, SRMCRI, Chennai delivered a guest lecture on “EUCAST Guidelines on interpretation of AST Methods”. The CME concluded with guest lecture on “VITEK 2 & Expert Analysis” by Dr. R. Lakshmi Kiranmayi, Scientific Support Manager, bioMerieux – India.

The Day 1 of the Conference, 20th January 2018, started with “Dr. K. Rajyalakshmi Oration” by Dr. V. Lakshmi on the topic “Simple and Rapid Assays – My Passion”. It was followed by Inaugural function of the conference which was presided by the Presiding officer, Dr. G. Veera Nagi Reddy (Principal, NMC) followed by the guest of Honor, Dr. C.V. Rao (Hon'ble Vice Chancellor, Dr. NTRUHS), Dr. Raja Rao (Chairperson AP Medical Council), Dr. G. Ashok Reddy (Observer AP Medical Council), Dr. K.R.L. Surya Kirani (President of IAMM TAPC Chapter), Dr. D.S. Murthy (Secretary of IAMM TAPC Chapter), Dr. B. Ramakrishna Rao, (Medical Superintendent, NMCH), Dr. Sreeram Satish (Additional MS) and Dr. P. Sreenivasulu Reddy, Organizing Secretary of the Conference. The speakers emphasized on the importance of Clinical Microbiologists in preventing antibiotic resistance. The inaugural function was attended by all the delegates.

Following the inaugural function was the Presidential Oration on “Advanced Fluorescence Microscopy: Techniques and Applications” by Prof. Dr. K. R. L. Surya Kirani. This was followed by 4 paper presentations under the Dr. C. S. Bhaskaran Prize Paper Category.

The Post lunch session started with a guest lecture on “Challenges in the Diagnosis of Fungal infections” by Dr. Anupama Jyothi Kindo, Prof & HOD, Department of Microbiology, SRMCRI, Chennai. Senior and eminent persons in the field of Microbiology - Dr. V. Lakshmi, Dr. Sree Ramarao, Dr. Subbarayudu, Dr. Krishnamurthy and Dr. Jyothi Padmaja were felicitated. This was followed by 4 paper presentations under the Sri. B. K. Rao Memorial Prize Papers for the post graduates. The session ended with General Body Meeting by electing a new Executive Body. The day ended with Cultural Program and Banquet.

The new executive body :

President: Dr. P. Sreenivasulu Reddy, Professor and Head of Microbiology, Narayana Medical College, Nellore
Vice-President: Dr. P. Shashikala Reddy, Professor and Head of Microbiology, Osmania Medical College, Hyderabad
Secretary: Dr. P. Kasturi, Assistant Professor of Microbiology, Rangaraya Medical College, Kakinada
Joint Secretary: Dr. V.V.Sailaja, Gandhi Medical College, Hyderabad
Treasurer: Dr. P. Vasundhara Devi, Narayana Medical College, Nellore
Executive Council Members: Dr. M.Ramesh Babu (Guntur), Dr. P. Jyothi (Guntur), Dr. A.Kishore (Chittoor) and Dr. Mahwish Jawaid (Hyderabad).

The last day of the conference started with 5 paper presentations under the RMC Senior Faculty Prize Papers followed by P.G Pedagogy (Guntur Medical College Prize) presentations by Post Graduates of Guntur Medical College (Guntur), Andhra Medical College (Vizag), Gandhi Medical College (Secunderabad), Santhiram Medical College (Nandyal) and Kamineni Institute of Medical Sciences (Narketpally). There were 5 paper presentations by Junior Faculty under Smt. B. S. Lakshmi Junior Faculty Prize Paper Category.

Around 150 Post Graduates participated in the P.G Quiz (Dr. Satyanarayana Prize) conducted by Dr. D.S. Murthy, Secretary of IAMM TAPC Chapter

followed by lunch and 40 poster presentations (Sri ISN Murthy Prize). Scientific session ended with 50 free paper presentations. A total of **314 delegates** attended the conference. A total of **107 scientific papers** were presented under various categories. The total Conference was an academic feast to all the delegates attended.

Dr. DS Murty
Secretary, TAPC Chapter

IAMM Maharashtra Chapter

The Maharashtra State Chapter of Indian Association of Medical Microbiologists (IAMM) organized the symposium on “Strengthening antimicrobial resistance surveillance in Maharashtra in October 2017 in Aurangabad, which led to a resolution to form MAHASAR (Maharashtra State Antimicrobial Resistance Surveillance network).

The MAHASAR Surveillance Workshop was jointly organized by the Maharashtra Chapter of IAMM, State AMR Committee and WHO Country Office for India, on 14-15 February in Mumbai. The objectives of the MAHASAR Surveillance Workshop were to:

1. Standardize the AST Methodology.
2. Sensitize the participants to WHONET; and
3. Develop a roadmap for MAHASAR surveillance including SOPs, and identification of organisms and samples for AST data collection.

The faculty included Dr Sunil Gupta, Additional Director, NCDC, Dr Rajni Gain, VMMC and Safdarjung hospital, Dr Naveen DR, CMC Vellore and Dr Sangeeta Joshi from Narayana Hrudalaya. The participants included heads of microbiology and few juniors from 16 institutions identified for the MAHASAR network. The participants from WHO and partners include Dr Nicole Seguy and Dr Anuj Sharma from WHO India, Dr Umesh Alwadi, USAID and Dr ValanSiromany from CDCIndia.

1. Dr Jyoti Iravane was given the responsibility of coordinating MAHASAR network for two years.
2. The data sharing would be initiated from 1st June, 2018.

“The XXIII Maharashtra Chapter Conference of IAMM (Mahamicrocon 2017) was held on 14th & 15th October, 2017 at Government Medical College, Aurangabad.

The theme of the conference was “Targeting microbes”. An AMR symposium was conducted on “Strengthening antimicrobial resistance surveillance in Maharashtra”. Guest speakers for the symposium from all over India included Dr Subhash Salunke, Dr Anuj Sharma, Dr Sunil Gupta, Dr Abhay Chowdhary, Dr V. Balaji, Dr Sanjay Bhattacharya and Dr Jyoti Iravane.

Important updates on Tuberculosis were shared by Dr Ranjani & Dr Sanjay Suryawanshi. The HIV Viral Load details were described by Dr Shikha and Dr Jayesh Dade. The latest diagnostic technologies were touched by Dr Jayanti Shastri. Organizing chairperson of the conference was Dr Ajit Damle, Professor & Head, Department of Microbiology, GMC, Aurangabad. Organizing Secretary was Dr. Dr Jyoti Iravane and joint organizing secretary was Dr Jayshree Bhakre. Pre-conference CME was organized on "Airborne Infection Control" on 13th October, 2017. The Presidential Oration was delivered by Dr. Kishor Ingole, Professor & Head, Dept. of Microbiology, Dr. V. M. G.M.C. Solapur-The topic was ': 'Clinical Research training during Undergraduate Medical Education-A reminder call'

Hardas Pathak Oration was delivered by Dr Anuradha De, Professor, Department of Microbiology, T.N.M.C. Mumbai. The topic was “Fifteen years of Cadaver Skin Banking'.

Late Dr. P. M. Khare Memorial Junior Best Research Paper Award was awarded to Dr. Kanupriya from J J hospital & Grant Medical College, Byculla, Mumbai.

Dr Jayshree Bhakre
Secretary, Maharashtra chapter

HISICON 2018 CONFERENCE, HYDERABAD

National Conference of the Hospital Infection Society of India
4th to the 6th October 2018
Marigold By Green Park Hotel Hyderabad
Preceded by 8 parallel CME/ Workshop events across the city

This is a conference focused on Infection control and prevention, consists of key note addresses, symposia, debates, recent trends and advances on various aspects of infection control and prevention and interactive sessions on risk assessment in infection control.

The conference would be a learning experience for clinical microbiologists, infection control practitioners, hospital epidemiologists, infectious disease physicians and nursing infection control personnel.

The last date for the abstract submission is 1st August 2018
The last date for early Bird registration is 30th April 2018.

We would be applying for credit points for all days of the Workshop and Conference with the Telangana Medical Council

Contact the conference secretariat for brochure and other details

New Members of Executive Council of IAMM 2018

The following three members have been elected unopposed to the Executive Council of the IAMM. I heartily welcome them and look forward to working together.

1. Dr. Manoj Kumar, LM No.- 2407

Professor & Head, Department of Microbiology, Rajendra Institute of Medical Sciences (RIMS), Ranchi, Jharkhand.

Qualifications: MBBS, MD (Microbiology), RIMS, Ranchi

Total professional Experience of over 17 years

Investigated and confirmed the 1st Outbreak of Anthrax in Jharkhand (Simdega District).

Has been the Organizing Secretary of MICROCON 2017 at RIMS, Ranchi

Publications: Total number of publications- 20; 12 in National Index Journal, 7 in International Index Journal and 1 in State Journal.

2. Dr. Nileshkumar D. Patel, LM No.- 1336

Associate Professor, Department of Microbiology, Government Medical College, Bhavnagar, Gujarat.

Qualifications: MBBS, MD (Microbiology), M P Shah Medical College, Jamnagar, Gujarat

Total Professional Experience of over 11 years

Publications: Total number of Publications- 09

3. Dr. Baijayantimala Mishra, LM No.- 784

Professor, Department of Microbiology, All India Institute of Medical Sciences (AIIMS), Bhubaneswar.

Ex Professor, Dept. of Virology, PGIMER, Chandigarh.

Qualifications: MD (Microbiology), AIIMS, New Delhi

More than twenty years of teaching experience. Conducted several research projects funded by ICMR and DST; guide/co-guide of MD, PhD, DM since 2001.

Publications: Author of "Textbook of Medical Virology", CBS Publishers, Delhi.

Over 80 peer-reviewed publications in various international and national medical journals including Lancet, BMC Infectious Disease, American Journal of Hematology, Archives of Virology and British Medical Journal. She has won several fellowships and awards.
